## 1. Project Overview

This project aims to design and develop a fully functional, visually appealing, and content-rich corporate website for **Libas Textiles Ltd.** The site will showcase the company's history, capabilities, facilities, products, and achievements, while also providing easy access to contact details and career opportunities.

## 2. Objectives

- Present Libastex as a leading textile manufacturer.
- Showcase machinery, production capabilities, and certifications.
- Highlight sustainability practices and ETP plant operations.
- Provide easy communication channels for clients, partners, and job applicants.
- Create a modern, mobile-responsive design.

## 3. Website Pages & Description

Page Name	Description
Home	Company overview, achievements, quick stats, and key visuals.
About Us	History, mission, certifications, and awards.
Garments	Sewing, cutting, and finishing operations.
Product Section	Show case the product list with details section.
Major Buyers	List of main clients and global partners.

Board of Directors	Profiles of key management.
News & Events	Company updates, press releases, and announcements.
Video Gallery	Promotional and operational videos.
Career	Job postings and recruitment details.
Contact	Addresses, phone, email, and contact form.

4. Deliverables

- Fully functional, mobile-responsive website.
- Optimized content for each page.
- High-quality images and videos integrated.
- Contact form and career submission form.
- SEO-ready structure for better online visibility.

5. Timeline

Phase	Duration	Deliverables
Planning & Design	1 week	Wireframe, design mockups

Development	1 weeks	Full website build
Content Integration	1 week	All text, images, videos added
Testing & Launch	1 week	Functional, responsive, and performance checks

**Total Estimated Time:** 5 Weeks

## 7. Estimated Budget

- **Design & Development:** 20k
- **Hosting & Domain (Annual):** 3k
- **Maintenance (Optional):** 12k/ year
